

**RENTING SCOOTERS -  
GENERAL CONTRACT TERMS & CONDITIONS**

- 1) The hirer has to be 18 years old, if not, the person with tutelary authority has to sign for taking responsibility upon himself.
- 2) The scooter must be driven by contract signatory only. Use by persons other than the contract holder is not allowed. The hirer must be in possession of a identity card still valid.
- 3) The hirer should control the general condition of the scooter before taking possession of the vehicle as eventual damage not declared will be payable by the hirer. The hirer is furthermore obliged to inform the hire company of eventual accidents which occurred during the rental of the vehicle. In case of breakdown during hire, the rental company should be telephoned and they will act accordingly. Any expenses incurred by the hirer will not be reimbursed if not allowed by the rental company which also needs an invoice issued to LEA SRL for the amount that have to be reimbursed.
- 4) The rental period is calculated in days, starting from 10:00 am in the morning up to 10:00 am of the day after. Starting from 120 minutes after the calculated rental period, the hirer has to pay for one more day.
- 5) Scooters are equipped according to standard characteristics of the model and according to the Law.
- 6) No insurance is included in the renting service, as the scooter is intended exclusively for disabled people and is not matriculated.
- 7) The hirer will also be held responsible for any fines levied against the vehicle during the rental period. The hire company must be advised of any unpaid fines when the vehicle is returned to the hire company. The applicable amount should be paid to the hire company, who in turn will settle the fine. All unpaid fines will be payable by the hirer and notification of such will be by registered post informing the hirer of the amount owed including postal costs. Should the fine remain unpaid the hire company will engage the appropriate legal authorities for reimbursement and the hirer will be liable for all legal costs.
- 8) The hirer has to pay attention by using the scooter in order to give it back in the same condition as it was at the beginning of the rental period, apart from parts subjected to wear.
